SUMMARY

Passionate and recently graduated BCA student with hands-on experience in frontend (HTML, CSS, JavaScript, React.js) and backend (Node.js, Express.js, MongoDB) technologies. Skilled in building responsive web applications, applying UI/UX principles, and ensuring performance optimization. Familiar with Git for version control and RESTful APIs for seamless frontend-backend integration. Eager to contribute to real-world full stack projects and grow through practical challenges.

CERTIFICATE

Certified in Tally ERP 9 with GST from IITS Computers, Tasgaon, skilled in Accounting, GST Invoicing, and Inventory Management 2021

EDUCATION

Bachelor of Computer Applications 2021-2025

PROJECT

Personal Portfolio Website 2023

Developed a responsive portfolio website using HTML, CSS, and JavaScript. Showcases personal projects, skills, and contact information. Designed a clean user interface with mobile-friendly layout. Added interactive features using vanilla JavaScript. Hosted the site for public access.
